God's Word is pure - men change the word of God by not doing his word.
The reason people get angry with the preacher of truth and right in him on
doctrine. The reason believers do not understand truth:

They do not do the will of God.

John 7:17 If any man will do his will he shall know of the doctrine whether it be of God or whether
I speak of myself.

People do not recognize truth when they are living for themselves. The reason people want to
argue about truth is because they will not do it.

When men will not do truth (regardless of the
fact that they asent to predestination and other
truths) they cannot understand truth.

Psalm 119:10 A good understanding have all they
that do his commandments.

Deut 4:5, 6 I have taught you statutes and
